

WHAT'S HAPPENING

Community Updates and Stories | August 2018

ONE MISSION. ONE COMMUNITY.

CEL RESIDENT SATISFACTION SURVEY COMING IN OCTOBER

Got 5. Give 5. Caring. Engaged. Listening

Your participation in the annual CEL Resident Satisfaction Survey is vital to ensure we know how you feel about all the things we do right and areas where we can improve.

This important survey (which is completely anonymous to ensure you can be as candid as you would like) will come directly to your email inbox. It is extremely important that we have your current address on file. Stop in to the office or call us right away to update your email address. We are aiming for 100% participation. We'll be giving away some great prizes too! Thank you in advance.

Warm Weather Reminders

It's summer according to the calendar but Mother Nature likes to tease us. Here's a few things to keep in mind as the weather cooperates:

- Wading pools are welcome in back yards, but they can be no deeper than 12-inches. Adult supervision is required at all times while water is in the pool. Pools must be emptied daily and properly stored.
- With school out that means there will be more children playing in and around the neighborhoods. You should always drive vigilantly, but please be sure to observe posted speed limits or 15MPH-whichever is LESS.
- Please remember to mow and tend to your fenced-in backyards. If needed, give us a call at (866)616-3267 to find out what's available for you to use from the self-help maintenance area.
- Window safety: help ensure the safety of your child by not letting them play near open windows. Remember: screens do NOT prevent falls.

BBQ Safety

Summer is grillin' season and we want to help ensure everyone is doing all they can to grill safely...

Never operate your grill closer than 10 feet from your home, wooden fence or overhanging branches. Cooking food in the front yard or covered balconies/patios is prohibited. Store gas tanks safely and inspect them often for signs of damage or rust. Never leave your grill unattended while in use. If using charcoal, make sure coals are completely cold to the touch before discarding.

As a reminder: tiki torches and fire pits are not permitted anywhere in housing areas.

IMPORTANT DATES

August 7

National Night Out at Fort Nugent Park

August 10

4th Annual MWR Customer Appreciation Picnic at Whidbey Fitness Center

August Mondays

Whidbey Free Summer Concert Series at Oak Harbor Catalina Park

Compliance: For Safety and Well-Being

Living in family housing has its benefits: close proximity to base activities and services as well as creating a real sense of community. But living so close together can have its challenges, too. By following a few simple rules it will help ensure a positive environment for all.

- Clean up after your pets in your home, in your yard and especially whenever they are in the community. Dogs must be leashed at all times and pets cannot be left unattended outside and/or tied to common area trees, posts or other fixtures.
- Please park in designated spots (garage, driveway, street-where available) and not up on the curbs or in the grass OR anywhere that impedes the flow of traffic in the neighborhood.
- Help keep the community looking neat and tidy by properly storing your trash and recycling bins by 8:00PM same day as pick-up. Make sure your trash/recycle bins are clearly marked with your address.

4th ANNUAL MWR CUSTOMER APPRECIATION PICNIC

**FEATURING: Jerrod Niemann &
Thompson Square**
Friday, August 10 | 6-10PM
Free Admission!
