

THANK YOU FOR MAKING YOUR HOME WITH US!

Our President's Message

For the third year, Hunt Military Communities teamed up with wear blue; run to remember in organizing individual Memorial Day events in our communities. More than half of HMC locations participated in the worldwide event. Wear blue: run to remember, a national, nonprofit organization is committed to building a running community that honors the service and sacrifice of the American military. It's expected

that over 20,000 runners and walkers around the world became part of a living memorial to America's fallen heroes and a show of support for the families they left behind.

Wear blue teams met at various locations worldwide to participate in this run including many HMC locations. The wear blue Memorial Day event uses the power of community and the accessibility of running and walking for community members to become a living memorial through their steps to honor generations of America's fallen heroes. Wear blue: run to remember was started by a Gold Star spouse, who lost her husband in Afghanistan, at the time she had a three year old, a one year old and a three week old.

Participants were provided the name of an American Service Member who died in battle as well as a unique bib to share the name of the service member whom they honor with their steps. Each run began with a Circle of Remembrance where the name of each military member killed in war is called out.

Thank you to all who ran, walked, and supported this worthwhile event. It is because of your dedication to the cause we are able to honor and recognize our American fallen heroes in such a thoughtful way. To learn more about wear blue: run to remember and the Memorial Day Run, visit www.wearblueruntoremember.org.

Best,

John Ehle
 President
 Hunt Military Communities

Window Safety Checklist

As we approach the official start of summer and have windows and doors open more frequently it is a good reminder to review window the following safety tips

- ✓ Teach children about the hazards of playing near an open window and make sure they understand that a screen will not stop them from falling.
- ✓ Never put beds or other furniture under a window.
- ✓ Do not allow children to stand on toys or other items to look out a window.
- ✓ Routinely check your screens to make sure that they are secure and if you have concerns please call maintenance. Remember: **SCREENS DO NOT PREVENT FALLS.**
- ✓ Check the cords on your blinds and other window-coverings to make sure they do not pose a choking hazard. Keep cords up, out of the reach of small hands. Make sure all cords are free-hanging and are not looped or knotted.
- ✓ If you require additional safety measures for your windows, please inquire at your local Hunt Residential Management office. For more safety tips go to: <http://www.huntsafetyzone.com/>

We had fun in May! Thanks to all who participated in our May Farmhouse Sign events.

The Hunt Pacific Northwest Communities was honored to host the wear blue; run to remember Memorial Day run in our Landings Community
